

Dear Players:

Congratulations on making the 2008 Gait Cup Team. On behalf of our sponsors Stickhead Lacrosse, Kentucky Lacrosse Association and Incord, your participation is representative of the growing lacrosse talent in the state of Kentucky.

On that note, Coach McGetrick and I need all selected players to email Chad Wabrek at chad_wabrek@loucol.com confirming their selection by Wednesday, May 14th. If we do not hear from you, we will assume that you are unable to play and will begin asking alternates to join the team.

Additional paperwork will be sent along within the next 72 hours regarding lodging, registration, transportation, etc. Because the tournament is over July 4th weekend and given the venue of Gettysburg, PA, parents who might like to attend should start looking into hotels/motels now. The team is looking into chartering a bus from Louisville to Gettysburg – more on this later. The players, however, all live at Gettysburg College for the duration of the tournament (and this is included in the tournament fee).

Finally, the coaches always need dedicated parents to help with a variety of housekeeping details before the tournament itself. If this interests you, please let Coach Wabrek know by email or phone (502-381-5677).

In closing, please know that if you were not selected, we truly do appreciate you making the effort to show up and give it your all. Unfortunately, we only had a certain number of spots available. However, the coaching staff does have a list of alternates ready in case selected players are unable to attend, but we cannot publish this list because it depends on who may have to drop out. Therefore, any calls/emails to contact alternates would begin on Thursday, May 15th at the earliest.

Good luck to all players in the state tournament next week. Please let us know if you have any questions.

Yours in Lacrosse,

Coach McGetrick

Coach Wabrek
